

Newbold U17 26 Northampton BBOB U17 26

Newbold seemed to be suffering post-tour depression in the first half, letting BBOB's dangerous runners ghost through their defence. 19-7 down at half time it looked all over. With BBOB having called for uncontested scrums, there was limited space to attack. With Newbold struggling to execute accurately, even when they did get in behind BBOB, chance after chance was spurned. They did enough to get a draw though, with tries from Paddy, Webby, Nathan and Danno (Danno 2 cons, Robbie 1). It might be time to put our feet up for the summer.
